STEPS 2 SUCCESS is a certified ODODD provider and a division of CARF accredited Step By Step Academy, Inc.

STEPS 2 SUCCESS is excited to announce our open house on Wednesday October 12th from 2-7 pm. Please come by and learn more about our program.

Program Structure and Philosophy

- The center will serve individuals with Autism, intellectual and developmental disabilities ages 18 and older.
- The center will operate Monday thru Friday from 9:00am to 3:00pm all year round.
- Customized employment approaches and job coaching will be a focus of our program.
- Communication and appropriate positive behaviors will be the backdrop for all center programs.
- Individuals are provided with specific instruction to promote development of employable vocational skills including inventory controls, custodial, office-related activities, landscaping, assembly, domestics, crafts
- Our campus location allows experience for vocational skill building while providing a service to other organizations on the campus. Our goal is to have individuals transfer these employment skills to the community workforce.
- Individuals will also engage in activities that will increase their daily living skills ability such as personal care, grocery shopping, cooking, cleaning, and planning for personal wants and needs.
- Social settings will be a part of the daily schedule to promote the practice of appropriate social interactions as well as the development of hobbies and other downtime enjoyments such as music, games and sports.
- Community outings and experiences are an integral component of the program.
